## **DAWN DAWSON TO ANNOUNCE THAI AIRWAYS INTERNATIONAL JET SKI WORLD CUP IN PATTAYA CITY**

Dawn Dawson, broadcast journalist and sports announcer, heads to Pattaya City, Thailand to commentate for the Jet Ski World Cup Grand Prix from December 3-8.

The Thai Airways sponsored Jet Ski World Cup in Pattaya marks the third and final round of an inaugural 'Triple Crown' world tour in 2019. The tour has brought together hundreds of racers from around the world in the hopes of winning at each of the tours' stops. So far, the rounds have taken place in Belgium and Lake Havasu City. This event also marks an important partnership between the IJSBA and Asian Multi Sports and Entertainment (organizer) and Jet Ski World Cup Co. Ltd, (media rights owner). The event's primary sponsor, Thai

Airways, enjoys celebrating international sportsmanship and supporting sports in Thailand. What results is a ground breaking global event with prize money that is coveted by hundreds of racers in the sport.

This year, the Jet Ski World Cup will see 200 international riders and 75 Thai riders competing across 20 classes; the highest turnout for international riders for the tournament.

Dawn Dawson, a former world champion herself, lives in Colorado Springs, and holds the honor of being the first woman to be a sanctioned IJSBA announcer.

"It has been a dream of mine to announce this event! The Thai Airways International Jet Ski World Cup is one of those milestone races that, as an announcer, you strive for. The scale of the event, the talent of the racers, and the excitement of the Thai people really brings together everything that makes jet ski racing unique. I am very excited to be a part of this!"

She has announced various international watercross events across the globe since the start of her career, including the 2018 Asian Games. Dawn has been announcing with the IJSBA since 1998.

The Thai Airways International Jet Ski World Cup will be broadcast across Asia and Europe and will also be live streamed. Make sure to tune in and witness some world class racing in Pattaya City.
